

Youth & Family Minister – Northside church of Christ, Bonham TX

We are prayerfully searching for a brother to fill the position of youth and family minister. The ideal candidate will be a biblically grounded man who can relate the love of Christ to our youth and lead them into a better relationship with God. The minister will be a support and help to our families in their quest to make Jesus the center of their lives.

The minister should have strong organizational skills and be able to teach classes for our teenagers on Sundays and Wednesdays in addition to organizing family and youth activities such as camps, retreats, bible studies, and devotionals.

In working together with our elders, deacons and pulpit minister, the minister will be able to clearly communicate goals, concerns, and God's word to our young people, and optimize an annual budget.

The Northside congregation strives to be a welcoming body of New Testament Christians who are willing to help nurture its youth. Our parents are encouraged to be helpful and supportive in planning, organizing, staffing, and attending classes, events, and activities. Our elders and deacons will be intentional about providing wisdom, and opportunities for growth.

Ideally, the candidate should also be ready to preach when needed and lead in the worship services.

Candidates with a minimum of 4 years' experience are preferred, with at least 2 years' continuous service to one congregation. Candidates should be proficient in social media and the usual computer applications, e.g. Word, PowerPoint, Publisher, and other relevant computer programs.

Youth & Family Minister – Northside church of Christ, Bonham TX
