

## **Youth Ministry Internship Opportunity for Summer 2024**

The Summerville Church of Christ is thrilled to announce the availability of a distinctive summer intern position, which is open to applications from students majoring in Bible and Ministry as well as those from other disciplines who are enthusiastic about engaging with young people and families. This role is perfectly suited for individuals who are passionate about connecting with a wide range of personalities and age groups within our youth community. The intern will participate in a diverse range of stimulating activities, including teaching classes, leading Bible Studies, arranging weekly events, and contributing to the major events scheduled for the summer.

We are seeking a candidate with a deeply sociable nature, someone who demonstrates a genuine desire and ability to inclusively establish meaningful connections with every member of our youth group. These relationships are intended to be impactful and enduring. Moreover, the ideal candidate will be committed to their own personal, spiritual, and ministerial development, and be willing to take on the roles of mentor and leader with a sincere spirit of service and self-improvement.

While this opportunity is ideally suited for students pursuing Bible and Ministry, it is also open to non-Bible majors who exhibit the requisite qualities and enthusiasm to thrive in this position. A stipend will be provided, and the details will be explained during the interview process.

If you are interested in being considered for this enriching role, please feel free to get in touch with us!
