

...to lead people into a life-changing walk with Jesus Christ

Our History

In April of 1977 the Pleasant Ridge Church of Christ opened its doors in Arlington, Texas. Previously located in Fort Worth as the Glen Garden Church of Christ, a congregation with a rich heritage dating back to 1913, the leadership and members stepped out in faith to move to a remote location in the southwest corner of the small city of Arlington. Forty years later Pleasant Ridge is surrounded by a thriving community and its location near Interstate 20 allows easy access from neighboring cities such as Kennedale, Mansfield, Grand Prairie, Fort Worth, and Burleson. The focus of this church has always been on sound biblical teaching, missions, and service to others.

Our Mission

Our mission is simply stated—

“...lead people into a life-changing walk with Jesus Christ.”

In whatever we do, wherever we go, we want to lead people into a life-changing walk with Jesus Christ. In that process our goal is to help others—

Be Loved—experience God’s love from a Christian.

Come and See—accept an invitation to a Christian activity to experience a small part of what it means to be a Christian.

Watch and Learn—study and grow in the understanding of Christian faith.

Believe and Obey—believe that Jesus Christ is the son of God, commit to follow him as Lord, obey his command to be baptized.

Step Up—commit to do whatever it takes to grow spiritually and in the abundant life God intends.

Step Out in Faith—achieve things by God’s power, claim God’s promises, and fully trust in God.
