

HarvestField Church of Christ

Part-Time Preacher/Evangelist

Harvest Field Church of Christ is in need of help from a part-time preacher/evangelist who can work with the congregation. We are very excited to work with someone who accurately handles the Word of God with passion and love. We are looking for someone who has a lot of energy and is excited about the work.

Location: Omaha, Nebraska

About Harvest Field Church of Christ:

- We meet Sunday AM, Sunday PM and Wednesday evenings
- On Sunday nights we share in a meal after worship
- We have some of the best potlucks in the Midwest so if you like to eat we've got you covered
- The congregation is very active and works well together
- Very focused and realize you don't need permission to do a good thing (You won't have to wait months for a 10-minute conversation to make something happen)
- Mainstream church of Christ (Not Instrumental)
- 25 members and growing through baptisms
- We are very well organized and focused on being effective in carrying out the Great Commission
- Currently in the process of getting a building as we worship in a large meeting space in a home
- We have 2 experienced teachers

What we pray to find in a preacher/evangelist:

- Energy and dedication
- Ready to work together in the effort and not expecting to have to do all the teaching and work
- Accurately handle the Word and teach it effectively (Very important)
- Not afraid to be part of something new
- Ready to jump right in and get to work
- Someone who is looking to work with us for the long-term
- Likes the Huskers (ok we know that one might be hard to find but we are willing to help in the conversion process)

Current offer:

- Salary: We wish we could pay you so much that you will never want to leave us but in reality, we can't afford to pay a preacher/evangelist yet, but don't count us out just yet.

- We are offering a bedroom basement area as housing until we purchase our building and provide more permanent housing. Our plan is to provide housing for any preacher that works with us at no cost.
- We will pay to help you get established and won't let you starve or go without
- You will want to plan on finding some support our at least part-time work outside the church

We look forward to talking with you about the congregation and what we are up to in Omaha. This city is a mission field and so ready for the harvest. We know you will have questions and are ready to discuss everything with you. We know you will really like working with us and can't wait to get to know you.
