

## **CAMPUS MINISTRY OPPORTUNITY**

The Blacksburg (VA) Church of Christ is seeking a campus minister or husband-wife team to lead ministry and evangelistic efforts at Virginia Tech, Radford University, and other local colleges. The applicant must be relatable to both believing and non-believing college age individuals, and be able to work effectively in the campus environment to: (1) encourage the individual Christian's spiritual growth and desire to serve in the Kingdom of God; (2) assimilate them into all facets of congregational life; and (3) equip them to share the Gospel with non-believers. We have funding in place, a campus ministry house, and a Campus Ministry Support Team (CMST) to help with coordination and support of activities. For a complete job description, and more information, please see our website.

## **BASIC REQUIREMENTS:**

1. A passion for spreading God's word in the college campus environment.
2. Experience with a healthy campus ministry either as a student, leader, or minister.
3. Ability to effectively teach publicly, in small groups, and one on one.
4. Mature and confident in faith, with a firm Biblical knowledge and understanding.
5. Personable, approachable, hospitable, active, and a good listener.

## **CONTACT INFORMATION:**

If interested in being considered, please submit an application of appropriate information including a resume highlighting experience, education, and training, and a cover letter to the following postal address or by email to the address listed below with subject title of Campus Ministry:
