

The LaSalle church of Christ in Niagara Falls, NY, is seeking a full-time minister. We are a loving congregation of 50+ members, without elders, striving to serve our Lord and reach out to the lost and hurt in our community. Our current minister is retiring. We prefer someone married, with experience and a Bible degree who will help us focus on ministry and evangelism.

Please send a resume, video/audio link, along with a personal philosophy of ministry to:
